This is Jered...and You've Got Mail

"Rabbi Levi saw a man running in the street, and asked him, 'Why do you run?' He replied, 'I am running after my good fortune!' Rabbi Levi tells him, 'Silly man, your good fortune has been trying to chase you, but you are running too fast.'"

-Traditional Tale

I'm sure many of us may be like the man in the story who is always running too fast. Our society has become obsessed with speed, whether it's a 30 second or less guarantee at the drive-thru, or Wifi that takes "forever" when our internet doesn't respond after three nanoseconds. Faster, faster, faster. We don't just want it now, we want it yesterday!

I have been reading a book recently about the speed of information and the crazy world of Wall Street high frequency trading. Did you know that companies spent millions of dollars to build the fastest computers and co-locate them next to the stock exchange computers so that they can benefit from having an extra microsecond? Years ago a company built a high speed fiber optic line from Chicago to New York in order to gain an advantage of microseconds, and they spent millions drilling directly through mountains in order to keep the line precisely straight. There is even talk of ultra high speed lasers. We are living in the future!

If you're like me there may be times when you feel guilty if you aren't doing something. Do I have 5 free minutes? Well, I should probably do something productive. I don't want someone to think I'm lazy or just sitting around. So we do something, always. Often we don't stop. We don't rest.

In acting in this way I fear we are missing out on life and what we value most. Sometimes we need to give ourselves, and others, permission to rest. The Sabbath day was given as a gift to rest, and I think there is great wisdom for our spiritual, physical, and mental health in taking time to rest. If you are someone who does too much, perhaps it is time to stop and rest. Give yourself permission, there are many things in rest that you may be missing.

"While our speed may keep us safe, it also keeps us malnourished. It prevents us from tasting those things that would truly make us safe. Prayer, touch, kindness, fragrance-all those things that live in rest, and not in speed."

-"Sabbath", Wayne Muller

Message from Linda Maxwell,

Visible apartment numbers important for emergency response time

Could seeing your room number save your life?

It can if first responders are unable to find your apartment because of door decorations that hide your number.

As I have been walking the corridors in the past few months coming to visit you I have noticed how lovely most of you have decorated your door ways. However, there were several times where I had to double back because, being unfamiliar, I walked past the doors whose numbers were hidden.

Having your door number visible can shave valuable seconds off of response times. Something as small as covering your number could ultimately put you or your neighbor’s safety on the line. If a responder gets confused because he/she can’t determine what apartment numbers they are at it increase the delay in getting to the scene. When first responders can't find your home it wastes valuable time.

Ten seconds may not mean a whole lot to you, but when it could mean life or death, when it could be a medical emergency or someone could be breaking into your home, that ten seconds is a big deal.

Displaying your house number probably isn't at the top of your mind, but it is for first responders.

Think about it from an ambulances point of view. As you're pulling up to your apartment door, look where your numbers is at. We advise you to make sure apartment numbers are clear of decorations. Thanks!

Two young boys were spending the night at their grandparents. At bedtime, the two boys knelt beside their beds to say their prayers when the youngest one began praying at the top of his lungs, "I PRAY FOR A NEW BICYCLE. I PRAY FOR A NEW NINTENDO. I PRAY FOR A NEW VCR..."

His older brother leaned over and nudged the younger brother and said, "Why are you shouting your prayers? God isn't deaf." To which the little brother replied, "No, but Grandma is!"

Are you feeling like you need to raise your voice to get heard? Feeling like no one hears you can be very frustrating. Worse yet – feeling like people hear you and just don’t care is hard to bear. Please know that

as your resident service coordinator I am listening to you and I care, as does all of the Bethany staff. My job is to be here for you. Stop by any time and let me know what you would like. Know that I will convey your wishes to the proper ears and with patience and reasoning you never know – you might get what you're asking for!

Wellness News: Good Day and Happy Summer!

What a great start to the Elder Services Community Market Program! We filled almost 150 slots with our residents throughout all 3 buildings! Fresh ripe strawberries, yellow squash, and green zucchini were some of the produce brought to us from the 100 year old Simone Farm in Methuen. We are so fortunate to be a huge part of this 20 week program facilitated through Elder Services. Our residents have fresh fruits and veggies within their buildings and get to try produce maybe not ever tasted before. Welcome to Summer!! We certainly have been blessed with beautiful June weather & look forward to the rest of the summer season. The flower gardens are looking so beautiful this year, We hope you are able to get out & enjoy them. We would like to thank Marija Knev for taking over the garden by the sitting area. It was in much need of some TLC and Marija did a fantastic job bringing it back to life. A reminder that we are now on summer hours. The maintenance men leave on Fridays at 10:00 am. Please, if you have a work order on a Friday please call as soon as possible in the morning so it can be tended to before they go home. The Maintenance men are working on a sheet that we will be passing out about how to recycle items properly. Look for it soon in your mailbox outside your apartment door.

We are so sorry about the new (overly sensitive) smoke detectors that were installed recently. We are working on a solution to the problem. Thank you for your patience!

Our summer helper, Skyler will be washing windows on his own time. If you are interested please call or stop by the office.

Stop by the 5th floor & see the NEW, BEAUTIFUL deck that was completed. We hope many residents will enjoy this space!!

And speaking of the deck and on a lighter note,

Grandma and Grandpa were sitting on their deck rocking away while watching the beautiful sunset and reminiscing about "the good old days".

Grandma turned to Grandpa and said, "Honey, do you remember when we first started dating? You used to just casually reach over and take my hand?"

Grandpa looked over at her, smiled and obligingly took her aged hand in his.

Growing bolder still, Grandma said, "Honey, do you remember when we were first married? You'd kind of nibble on my ear?"

Grandpa slowly got up from his rocker and headed inside. Alarmed, Grandma said, "Honey, where are you going?" Grandpa replied, "to get my teeth!"

- **Where did you grow up?** Thelma was born on August 15th 1920 in West Newbury and moved to Haverhill at age 2. She went on to get married and raise two boys. What did you do before you came here? What else would you like to tell us? I would like to live at Merrivista another 20 years! Everyday here is a pleasure for me! 😊

Phoenix

Happy Fourth of July to everyone! Another month has passed and we are now into mid-Summer! June whizzed by but not without noting that the Property Manager's office had a beautiful makeover! Stop by and check it out! Thank you Joe and Matt for doing such a great job while on vacation! And thank you all residents for being helpful and taking care of things while away!

The Community Market Program is underway and there is still room for seven (7) more spaces! It is a wonderful provision for those of us in need, and free! See Linda Maxwell for an application.

Phoenix welcomes Skyler Church, Matt's son, to the Summer Help Program! We are happy to have him for the next few months to do some needed little projects that just don't seem to be able to get done! I also want to acknowledge the Crest Program that comes faithfully to work and help clean the trash rooms and other areas around our building. Thank you! It is incredible to see all that is available through volunteerism and federal and state fundings! We are fortunate and grateful for this great country that we live in! "Home of the free and the brave!"

Enjoy your summer everyone! And remember to stay hydrated by drinking lots of water and juices. And pay attention to the temperature in your apartment; don't be afraid to turn on the air conditioner.

Your Property Manager,

Nancy Leefe

- Evocative of memories and feelings of comfort
- Nutritious
- Designed to provide approximately 50-67% of daily needs
- Provide adequate calories and protein to support health during critical illness
- Cooked using healthy fats and minimally added salt

Bethany Homes offers these meals at a low cost if you qualify for the CHSP Program or Community Meals Program. Additionally, you can pay for meals with your EBT card if you have one. The cost of meals is as follows:

Breakfast: \$4.00
Lunch: \$6.00
Supper: \$10.00

If you qualify for the CHSP or Community Meals Program, the cost of meals will be significantly less. Three (3) meals a day could be as low as 10% of your adjusted monthly income or \$100/month depending on your income.
